

City of Grove New Curbside Collection Program

YOUR SERVICE DAY WILL REMAIN THE SAME!

CARDS is proud to announce the new curbside collection program for residents of Grove, OK. This is an informational tool to help you understand the services that CARDS will be providing. We strongly encourage you to read and retain this information for future reference.

Beginning July 1, 2022, CARDS will provide curbside collection for all residences. Under the new curbside collection program each customer will receive a new 96-gallon cart for trash collected once a week at the curbside. These containers are provided at no additional cost. Upon receiving the carts, residents will roll the containers to the end of the driveway or designated pickup location on collection day. **Collection day will remain the same, and a map of each service day will be posted on the City Website and Facebook page.**

To make the program successful, the remainder of this information will outline important guidelines for you to follow when using the services available. This will ensure that you receive the best possible service with as little inconvenience as possible. **Upon receiving the carts, you may begin using them starting July 1, 2022.**

COLLECTION PROGRAM GUIDELINES:

- Trash must be curbside by 5:00 a.m. on your designated collection day.
- All trash must be contained in the cart issued by CARDS so that the lid is closed to be collected.
