

NOTICE OF ADDENDUM NO. 1

REQUEST FOR QUALIFICATIONS

PROFESSIONAL WATER AND WASTEWATER ENGINEERING SERVICES

RFQ #WATER/WASTEWATER 2022

Change No. 1 – The Scope of Services have been amended to add the creation of a Sustainability Plan, and reads as follows:

- Retain engineering services to inspect the overall system, recommend any assets that need to be replaced/repared, to standardize lift stations with redundant equipment and create a Sustainability Plan to include:
 - Evaluation of the condition and performance of all critical assets
 - Review of and recommendations for our water energy and conservation efforts
 - A thorough plan to maintain, repair and replace the facilities over time and a plan to fund those needed activities

Change No. 2 - The Proposal Due Date has been amended as follows:

- The Proposal Due Date is extended from 10 a.m. on November 28, 2022 to 10 a.m. on December 5, 2022.

This notice of Addendum was posted on the City of Grove website and mailed to the following engineering firms on November 22, 2022:
