Key...

** Denotes a county tax is also due for sales in this city. See the first column of page 1 for county listings. The first two digits of the city COPO cross-reference to the county COPO by matching these digits.

Example: Salina's COPO is 4914 and Mayes County's COPO is 4988, thus Salina is in Mayes County which has a county tax that must be added to the city tax and the State Tax.

Denotes Use Tax is due for sales in this city or county, from out-of-state, at the same rate as shown. This is also in addition to the State Tax Rate of 4.5%.
