

Park and Recreation Experience Survey

In 2021, Grove adopted its 2040 Comprehensive Plan, reaffirming our commitment to supporting residents' health and ensuring access to quality parks, open spaces, and recreation. **As we prepare to break ground on our new Multi-Use Trails and Park Project (Mountain Bike Trail/Park) next year, we want to hear from you.**

Your feedback will help us improve the safety, accessibility, and overall experience of Grove's parks and recreation facilities.

Thank you for completing the survey. It takes about 8 minutes, and responses are anonymous.
